SUMMER CONGRESS SCIENTIFIC COMMITTEE (SCICOM)

The SciCom Programme will be sent out shortly. The following details should be noted:

Themes

- 1. Using a case example demonstrate Best Practice and Lessons Identified which links to Military Medicine.** *(By using a case example (civilian or military) describe the case, discuss the current evidence and guidelines and how this relates to military practice).*
- 2. Medical Reserves and the COVID pandemic.** *(The scientific committee acknowledge that COVID-19 is still an on-going threat with many people still involved in the fight, therefore we are inviting speakers to present any new material relating to COVID-19).*

Language

The programme will be held in English language.

Dress Code

Dress will be normal working dress due to the virtual nature of conference.

Point-of-Contact (for Scientific Programme)

For submission of abstracts or any questions regarding the 2021 Scientific Programme please contact the CIOMR Scientific Chair: Lt Col Richard Fawcett (UK) at either richard.fawcett@uhnm.nhs.uk or docfawcett@hotmail.co.uk
