

18 March 2023

As per email distribution.

To: **All CIOMR Heads of Delegations, Members, our Dear Colleagues.**

**CIOMR IN BETWEEN MEETING 2 (IBM 2)**

Dear Sirs, Ma'ams and Colleagues.

It is with very great pleasure that we invite you to participate in the CIOMR IBM 2 (held jointly with CIOR).

The wider 'joint' programme for this event will be held in Tallinn, Estonia, during the period 17 – 20 May 23. It will be hybrid (blended) and support actual or dial-in attendance. It is the wish of the President CIOMR that our main effort (logistics, resources, and funding) remains the Summer Congress 2023 (SC 23), therefore actual attendance remains a decision of each Delegations' VP. In short, for CIOMR, the main effort will be the EC Business Meeting on 20 May 23 commencing 1400 hours CET<sup>1</sup> (hybrid but predominantly dial-in). The President and Secretary General will attend IBM 2 and host the dial in element from that event.

Participation: The following participation is required:

Essential:

CIOMR (NOR) Presidency Team  
Board Members (including co-opted)  
National VP (or their appointed/approved Representative)  
Committee Chairs, MCO, and Liaison Officers.

Desirable:

Delegation Members  
Members

If you need any assistance from the CIOMR Board to have National support to attend in person, please contact the Secretary General.

You will find all relevant information and the planned programme on the accompanying Warning Order. The EC Meeting Agenda will be issued no later than two weeks before the event.

We look forward to seeing you at, or online, and hosting you from or in Tallinn!

*Johan S Munch*

Lieutenant Colonel  
President CIOMR

*Graham Banks*

Wing Commander (Retired)  
Secretary General CIOMR
