WARNING ORDER AS AT 06 Oct 24

CIOMR MID WINTER MEETING (MWM 25), NATO HQ, BRUSSELS, BELGIUM, DURING THE PERIOD (26 JAN – 01FEB 25 JMROW, 27 JAN-01 FEB 25 CIOMR)

I. SITUATION

1. CIOMR, in conjunction with CIOR, will hold a Joint Mid-Winter Meeting (MWM 24) in Brussels, BEL during the period 29 Jan – 1Feb 25. CIOMR will also conduct two professional development workshops prior to the official MWM schedule. These workshops will take place as two separate single day events with different content on the Monday and Tuesday prior to the MWM commencing on Wed Jan 31. This event will take place at NATO HQ. CIOR and CIOMR will come together for joint programming activity, but separate programmes and agendas will run where required. This Warning Order is intended for the purposes of seeking appropriate support from National Offices, Associations or Federations where required (authority and funding) to attend. Please contact either the CIOMR Secretary General or ASG if more support or details is required (contact details are below).

II. MISSION

2. CIOMR Executive Council (EC) and Committee Chairs (OMC, SciCom, GHEC and JMROC) to plan and deliver its programme of activities and outputs for the next 12 months, including meetings (SC 25, JMROW; support to CIOR activity (TCCC - Milcomp), CIMIC/CIMEX and YROW (as required or requested); support to CISOR (as requested) and activities with partner organisations (COMEDS, MMCC/EMC and NFC). To plan additional seminars, meetings and events as required. To address general business (finances, legal entity, transformation and membership) and management of organisation). To vote on all formal matters as required.

III. EXECUTION

3. More details and online registration will be released in the next two months. This warning order serves to set travel planning, authorities and logistics processes in motion in the member nations of CIOMR

4. Key Dates:

26 Jan – 1 Feb JMROW Program
27 Jan – iCover 1 day professional development day (TBC)
28 Jan – Cyber 1 day professional development day (TBC)
29 Jan – CIOMR MWM commences (See Sec 6 below)
31 Jan – MWM completes
